Mostly made with

GARNACHA,

using only RED GRAPES
and the BLEEDING method.

Made from Cabernet Sauvignon and Garnacha grapes. This wine is obtained by the "Sangrado" method, when the must is run off after a short maceration to keep all the aromas and flavours from the grape. The wine combines the intense fruit of the Garnacha variety with the structure and character of the Cabernet Sauvignon, which also gives a longer shelf life. Serve chilled (10° C). L131210
